

General Manager's Report to Board of Commissioners

Date: 6/5/2013

Re: Resolution 14-2013

Resolution 14-2013 - Amending Board Policy Regarding Reimbursement of Commissioners' Expenses.

At the January Board Meeting Resolution 01-2013 "Adopting a policy Regarding Reimbursement of Commissioners' Expenses, and Repealing Resolution NO. 16-2009" was adopted by the Board of Commissioners.

Due to a medical emergency, the scheduled January 21, 2013 regular meeting of the Board of Commissioners was adjourned to January 23, 2013. Due to scheduling conflicts, Commissioner Sheldon was not present at the adjourned January 23, 2013 regular Board meeting.

Commissioner Sheldon has concerns about the policy adopted by Resolution 01-2013.

Commissioner Sheldon wishes to propose an alternate Board policy regarding reimbursement of Commissioner expenses. Resolution 14-2013 contains the policy proposed by Commissioner Sheldon for the Board's consideration.

Commissioner Sheldon's alternate policy would make the following changes to the adopted policy:

1. Change the definition of "District Business" from:

"organizations that further the interests of the District through education and networking. Educational and networking opportunities include, but are not limited to, attendance at or participation in seminars, conferences, events, and meetings sponsored by governmental agencies, intergovernmental organizations, water related industry associations, and vendors and manufacturers of water supply related materials, equipment and supplies."

To:

"events that further the interests of the District"

- 2. Reduce commissioner assurance of reimbursement for expenses incurred for District business by adding the**

term "likely reimbursable" to describe expenses incurred by commissioners in "District business".

3. Requires prior approval by the Board of Commissioners, when possible, before any expenses for District business are incurred.
4. Adding a statement that Commissioners who attend District business events may have their request for reimbursement denied by the Board of Commissioners.
