

Special Meeting Notice

The Board of Commissioners of the North Beach Water District are providing public notice of a special meeting to be held:

Saturday March 22, 2014 at 10:00 AM

At

**25902 Vernon Avenue Suite D
Ocean Park, Washington 98640**

The purpose of the special meeting is to obtain public comment on the location of the District's new business office.

The District secured funds in July of 2013, through the issuance of bonds, to refinance debt at a low fixed rate, to purchase or build a business office, to build an equipment building, and to purchase property for a new well field.

The District currently rents an office space in Ocean Park. The District owns property on 272nd Street east of U Street.

The Board has to decide to either:

1. Purchase a building or purchase land and build a building in Ocean Park for a business office, or
2. Build a building or incorporate an office in the equipment building at the District owned property on 272nd Street.

The Board is seeking comments from rate payers before they make the decision.

The Board hired Driftmier Architects P.S. to prepare a feasibility study on the construction of an equipment building and office on the 272nd Street property. The feasibility study can be accessed on the District's web site at the following address:
