

Special Meeting Notice

The Board of Commissioners of the North Beach Water District are providing public notice of a special meeting/workshop to be held:

Thursday, October 16, 2014 9:00 AM

25902 Vernon Avenue Suite D

Ocean Park, Washington 98640

The purpose of the special meeting is review the progress on Business Office and Equipment Building design and discuss conclusions and options from the District's architect.

The District's architect, David Jensen, has provided a preliminary sketch of the floor plan and will be presenting a preliminary sketch of the building elevation at the meeting. These sketches are conceptual and not to an exact scale and provides the District the opportunity to verify that the Architect has correctly interpreted the desired functional relationships needed in the facility. When final sketches are approved they will be upgraded to CAD drawings and professional estimators will be provided the drawing to determine if the project can be completed on budget before advancing the project to further stages.
