The applicant(s) agrees that, if the application for water service is granted, the following terms and conditions will govern the relationship between North Beach Water District and the applicant(s), their heirs, successors, and assigns.

The applicant(s), their heirs, successors, and assigns shall:

1. Comply fully with all existing and hereafter adopted or amended water system policies. For the purpose of this application, policies are defined as resolutions of the North Beach Water District Board of Commissioners, North Beach Water District's water system plan, standards, guidelines and operating practices of North Beach Water District.
2. Pay all fees and charges in accordance with North Beach Water District policies, existing and hereinafter adopted or amended.
3. Use water in manner consistent with the stated purpose in this application and to conserve water by avoiding wasteful water use practices.
4. Acknowledge that water service may be terminated for non-compliance with North Beach Water District policies including refusal or failure to pay water bills, penalties, fees, and charges.
5. Acknowledge that granting of this application by North Beach Water District constitutes an expressed consent of water availability so long as North Beach Water District has adequate capacity to serve the intended use. Granting of this application does not constitute a guarantee that adequate capacity is or will be available upon or after payment of fees and charges.
6. Agree to not allow any connection between North Beach Water District's water system and any actual or potential source of contamination. Sources of contamination include, but are not limited to, private water wells, irrigation (sprinkler) systems, and
