VI. Old Business

A. Emergency Management Plan Update

The general manager gave a presentation on the updates made to the emergency management plan. There was discussion between the general manager and board on the updates made and potential changes that should be made to the emergency management plan.

VII. New Business

None.

VIII. General Managers Report

The general manager reported on (1) the use, sale, and loss of water, (2) the Drinking Water State Revolving Fund Loan Project progress, and (3) the Bond Construction Project status, (4) the status of the Emond easement negotiations.

The Board authorized the general manager to send a letter to David E. Jensen, Architect addressing his request for payment on the office and facilities building.

IX. Board Member Comments

Commissioner Sheldon referring to an e-mail concerning Pacific County ordinance #8 stated that he does not support forced connection to the District water system if an individual has another viable water source available.

The general manager stated that the intent of the e-mail in question was not to force individuals to connect but rather to prevent rate payers who are currently connected to the District's system to disconnect and connect to a well that has not been tested and approved by Pacific County.

X. Future Agenda Items

None.

XI. Adjournment

Commissioner Brake adjourned the meeting at 8:10 p.m.
