4. Public Commentⁱ:

Customer has disputed water billing from March. The individual claims there were no leaks, and no one used any water. Our trending sheet shows that there was a high demand from February 16th – 27th ,2020. The meter investigation shows this use. He has refused a water leak adjustment twice and I offered him the same option on 7/28/2020. He still requested to bring before the Board. He has paid the bill and wants a full reimbursement.
