

CALL FOR BIDS

NORTH BEACH WATER DISTRICT

SOUTH WELLFIELD DRILLING AND TESTING PROJECT WIEGARDT PROPERTY TEST WELL NO. 1 ENGINEER'S ESTIMATE \$70,000

Sealed Proposals will be received by the undersigned at the North Beach Water District, 25902 Vernon Avenue, Ocean Park, Washington 98640, up to 1:00 p.m.; local time on Thursday, July 11, 2013, for furnishing the necessary labor, materials, equipment, tools, and guarantees thereof to construct the South Wellfield Drilling and Testing Project.

The Work shall include drilling and completion of at least one 8-inch diameter water production well to a depth of approximately 130–150 feet. Upon completion of the well, the well shall be developed to improve hydraulic performance and a test pump shall be installed to perform both a step-rate test and long term constant-rate pumping test (of at least 24-hours duration) at rates of up to 150 gallons per minute from a setting of approximately 130 feet. Should the initial well be successful the District may authorize the drilling of up to three additional wells under this Contract.

The Work shall be substantially complete within 30 working days after the commencement date stated in the Notice to Proceed. All bidding and construction is to be performed in compliance with the Contract Provisions and Contract Plans for this project and any addenda issued thereto that are on file at the office of the North Beach Water District, Ocean Park, Washington.

The Proposals will be publicly opened and read aloud shortly after the time and date stated above. Proposals are to be submitted only on the form provided with the Contract Provisions. All Proposals must be accompanied by a certified check, cashiers check, money order, or bid bond payable to the “North Beach Water District” and in an amount of not less than five percent (5%) of the total amount bid.

Contract Provisions and Contract Plans may be *examined* at the office of the North Beach Water District, local plan centers in the project area, or the office of the Project Engineer, Gray & Osborne, Inc. Licensed Contractors and Material Suppliers may obtain a copy of the Contract Provisions and Contract Plans, free of charge, in electronic format (PDF on compact disk(s)) along with registration as a planholder *only* at the *Seattle* office of the Project Engineer, Gray & Osborne, Inc., 701 Dexter Avenue North, Suite 200, Seattle, WA 98109, (206) 284-0860. Request for Contract Provisions and Plans may be faxed ((206) 283-3206) or emailed (grayosborne@g-o.com). Request must include company name, physical address, phone and fax numbers, and email address. Registration as a planholder **is required** to obtain Contract Addenda. Contract questions shall be directed only to the office of the Project Engineer.

All Work on this Project will be subject to the higher of the prevailing state or federal wage rates.

The North Beach Water District is an Equal Opportunity and Affirmative Action Employer. Small, Minority and Women-owned firms are encouraged to submit bids.

Financing of the Project has been provided by North Beach Water District, Washington and Drinking Water State Revolving Fund Program with federal funds from the Environmental Protection Agency. All Contractors and subcontractors must comply with the DWSRF program requirements and provisions. The North Beach Water District expressly reserves the right to reject any or all Proposals and to waive minor irregularities or informalities and to Award the Project to the lowest responsive, responsible bidder as it best serves the interests of the North Beach Water District.

(Signed)

BILL NEAL
DISTRICT MANAGER
