VI. Old Business:

A. Emergency Response Plan

There was a discussion between the general manager and the board on private wells and what our response will be to individuals who need assistance when their wells dry up. The general manager is looking into having emergency containers on hand in case this happens, and they need water.

VII. New Business:

A. Flushing Program

There was discussion between the board and the general manager regarding changing the flushing program to twice a year to quarterly. The general manager wants to flush the system prior to high usage times. Looking at March, June, September, and December. The board suggested maybe three times and get rid of the December flush and maybe do two flushes during the summer months.

VIII. General Managers Report:

The office manager reported on (1) the use, sale, and loss of water, (2) the sanitary survey, and (3) the progress of the Water System Plan.
