August's 2026 Managers' Report

- Crew finished up flushing of the system for the first 2 weeks in July.
- Two 4" main breaks in July. 1st at Golden Sands and the 2nd in Sunset Sands. These have been leaking for a long time.
- Jobs outlined:
 - Install a blow off at 204th. The water in this line was black.
 - Fix leak on Park Avenue at 268th. Must open the road to fix this.
 - 250th and U Street, dig across and run about 150 ft of 6" and eliminate a mess that's currently there.
- DWSRF – Department of Health has stopped the process. They had a pile of questions that have been answered. But no reply since July 22nd.
- PWTF application has been submitted. We got ours in before a lot of people.
